It is Alisa's bachelorette party and her friends, Kerry, Debbie and Sherry are pre-drinking margaritas at her house. Debbie has ordered a stripper who they think is a blonde guy, but are surprised to see it is blonde black guy. His name is Lamar. He dances for them and they make a bet about the size of his cock. It is huge. After the show Debbie goes outside to his truck to pay him and she gives him head. Lamar then invites her and her friends to his club.

Characters: Describe all characters here. The more descriptive you can be here the better

Alisa - 21

Long Brown hair, pulled back. She wears long skirts and blouses to hide her figure, however her shape suggests she has the best body out of all her friends. She wears little make-up and is naturally the most innocent and best looking.

Debbie - 25

Debbie is the wild one. Blonde hair, big breasts/small waist and stripper looking.

Sherrie - 25

Reddish Brown hair and freckles. She is married, firm body and model looking. Classy broad. She misses the excitement that she lacks in her marriage.

Kerry - 25

Raven dark hair and pale skin. Voluptuous enough but in a way that drives men crazy.

Lamar - 27

Light black skin. Dyed blonde hair. Built like a boxer and moves graciously.

Sherrie: What have you got planned?

PANEL 3
